WHAT IS IMUCET?

The Indian Maritime University (IMU) conducts IMU-CET every year on an All-India basis for admissions to Maritime programmes at IMU campuses and Affiliated Institutes.

As per DGS Training Circular 2020, all Maritime Training Institutes (MTIs) regulated by DG Shipping are required to admit candidates based on IMU-CET ranking. IMU-CET is **MANDATORY** for admission to all DGS approved programmes.

Candidates seeking admission to Pre-Sea Courses — DNS, B.Sc. (Nautical Science), and B.Tech (Marine Engineering) — must qualify in IMU-CET.

B.Sc. Nautical Science (NS)

3 Year · Deck Dept · ₹8.5–20L

DNS — Diploma in Nautical Science

1 Year · Deck Dept · ₹3.75–10L

B.Tech Marine Engineering (ME)

4 Year · Engine Dept · ₹8.5–25L

**IMUCET Success Rate: 70,000 aspirants · 19,000 selected = 27%
